Mission/Vision

The Council's mission is to assure that West Virginians with developmental disabilities receive the services, supports, and opportunities they need to exercise self-determination and achieve independence, productivity, integration, and inclusion into the community.

Brief Overview of Services

The DD Council doesn't not provide direct services. It does provide I&R when contacted. The Council provides training, State systems' planning, funding for demonstration and other grant projects, consultation, and systems' advocacy.
