Mission/Vision

Disability Rights of West Virginia (DRWV) is a private non-profit agency dedicated to protecting and advocating for the legal rights of West Virginians with disabilities. We are designated as West Virginia's Protection and Advocacy System (P&A). Every state is mandated by the Federal government to have a P&A.

DRWV works to ensure that West Virginians with disabilities have access to the same opportunities afforded all members of society, and can live full, productive lives, totally integrated into their communities with as much self-direction and independence as possible.

DRWV strives to promote systemic change to increase access to services, promote equality, and protect rights.

DRWV services are confidential and free of charge.
