

Encompass Health

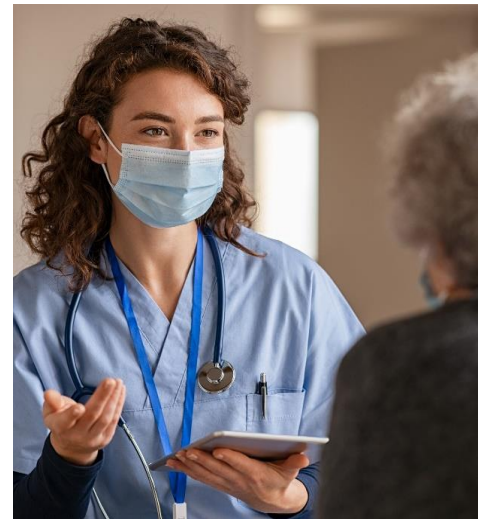

Mission/Vision

Connected Care, Superior Outcomes. We deliver the highest quality integrated inpatient and home based care, seamlessly connecting with other providers across the healthcare continuum. For decision makers committed to higher-quality patient care, we inspire confidence in the achievement of unparalleled outcomes, more quickly and cost-effectively.

Brief Overview of Services

Our inpatient rehabilitation hospital uses an interdisciplinary team approach that includes physical, speech and occupational therapists, rehabilitation physicians, rehabilitation nurses, case managers, dietitians and more, combined with our advanced technology and expertise, to help you achieve your goals. You will receive at least three hours of therapy five days per week while under the constant care of registered nurses, many of whom specialize in rehabilitation, and frequent independent private practice physician visits.
