**IMPACT WV Referral Source:**

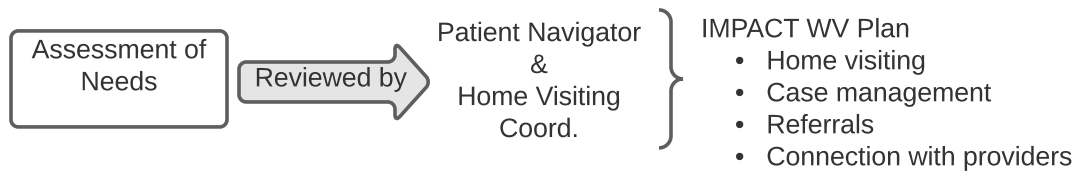

**Evidence-Based Curriculum:** Programs below in red are preferred referral sources. If there is no availability or a waitlist, clients may enroll in yellow or purple programs. Type of curriculum and entry date must be tracked on IMPACT WV referral tracking form.

**IMPACT WV Services:** Services in the orange boxes represent additional linkages provided through IMPACT WV. These may be used to compliment home visiting services and would be offered by the patient navigator at demonstration sites based on assessed needs, available resources and team planning.

**IMPACT WV Team Approach:** IMPACT WV assesses child, parent/caregiver, and family needs at intake and over time.

**Progression Through Program:** Progression through the program is based on initial and ongoing needs.
