Parent Connect Meetings in Mingo County!

A new, in-person support group for parents and caregivers of children with disabilities and special health care needs is coming to Mingo County!

Join us at the **Mingo County Family Support Center in Williamson, WV** for our Parent Connect Meetings. These informal meetings will be a warm, welcoming space created by parents, for parents. Meetings will take place on the **3rd Thursday of every month** to talk, laugh, learn, and support one another.

About P4P Parent Connect Meetings:

Parent Connect Meetings are led by the Paths for Parents program at the WVU Center for Excellence in Disabilities. We're committed to providing a friendly, judgment-free space where parents and caregivers can connect, share, and grow.

Why join us?

Parenting a child with special health care needs or disabilities is filled with unique joys and challenges, and you don't have to do it alone. Our meetings offer:

- A welcoming community of parents and caregivers who "get it."
- Real conversations about everyday challenges and successes.
- Connections and networking with others who share similar experiences.
- Information on local supports, services, and opportunities for your family.

Whether you're seeking support, ideas, connection, or encouragement, you belong here.
